

Evidencia de prueba automatizada

Caso: TC-001 Validar pagina publica desde Excel

Estado: FAIL

Inicio: 2026-06-25 22:45:24

Mensaje: SessionNotCreatedException: Message: session not created: Microsoft Edge failed to start: crashed.
(chrome not reachable)
(The process started from msedge location C:\Program Files (x86)\Microsoft\Edge\Application\msedge.exe is no longer running, so msedgedriver is assuming that msedge has crashed.)

Stacktrace:
